125 YEARS OF TRADITION

Honest Abe Lincoln was president and the Civil War was raging in the South. It was 1863 when the Academy of Our Lady of the Sacred Heart first opened its doors to young ladies from Peoria and the surrounding area. During that first year, six students attended the infant Academy which was located in a small two room building on Jefferson Avenue between Eaton and Hancock Streets.

Since then, the Academy has moved several times; the nation has survived four major wars, in addition to the Civil War, and the Great Depression; the automobile and telephone have come into existence and have been adapted into the American lifestyle. Twenty-four presidents have served, and we are about to elect a twenty-fifth. Most importantly, however, are the two, three, and perhaps four generations of students who have been educated by the schools.

The Academy was already old by some standards when Spalding Institute came into existence in 1898. Both schools have been present in Peoria, first as a compatible pair, then as one after their "marriage" in the early seventies, for ninety years. If one cares to listen closely when alone in the hallways of either building, footsteps and voices can be heard echoing through the years. The footsteps belong to the thousands of students who have been part of the school through its 125 year tradition. The voices belong to the faculty who have taught and learned from their pupils, and to the friendships which have been made, played out, and ended in those halls. The walls resonate with emotions: laughter and tears, love and hate, joy and sorrow. The school speaks to the community as well, not only out of the past, but also through the words and actions of its present population. Every year Academy/Spalding is renewed, it is both born and reborn. It is born in the new students who come into the halls, to add to the footsteps and voices, and it is reborn in the 125 years of tradition, memories, and experiences of years past. It is the rebirth, the renewal which enables us to say "Look At Us Now" after 125 years of tradition.

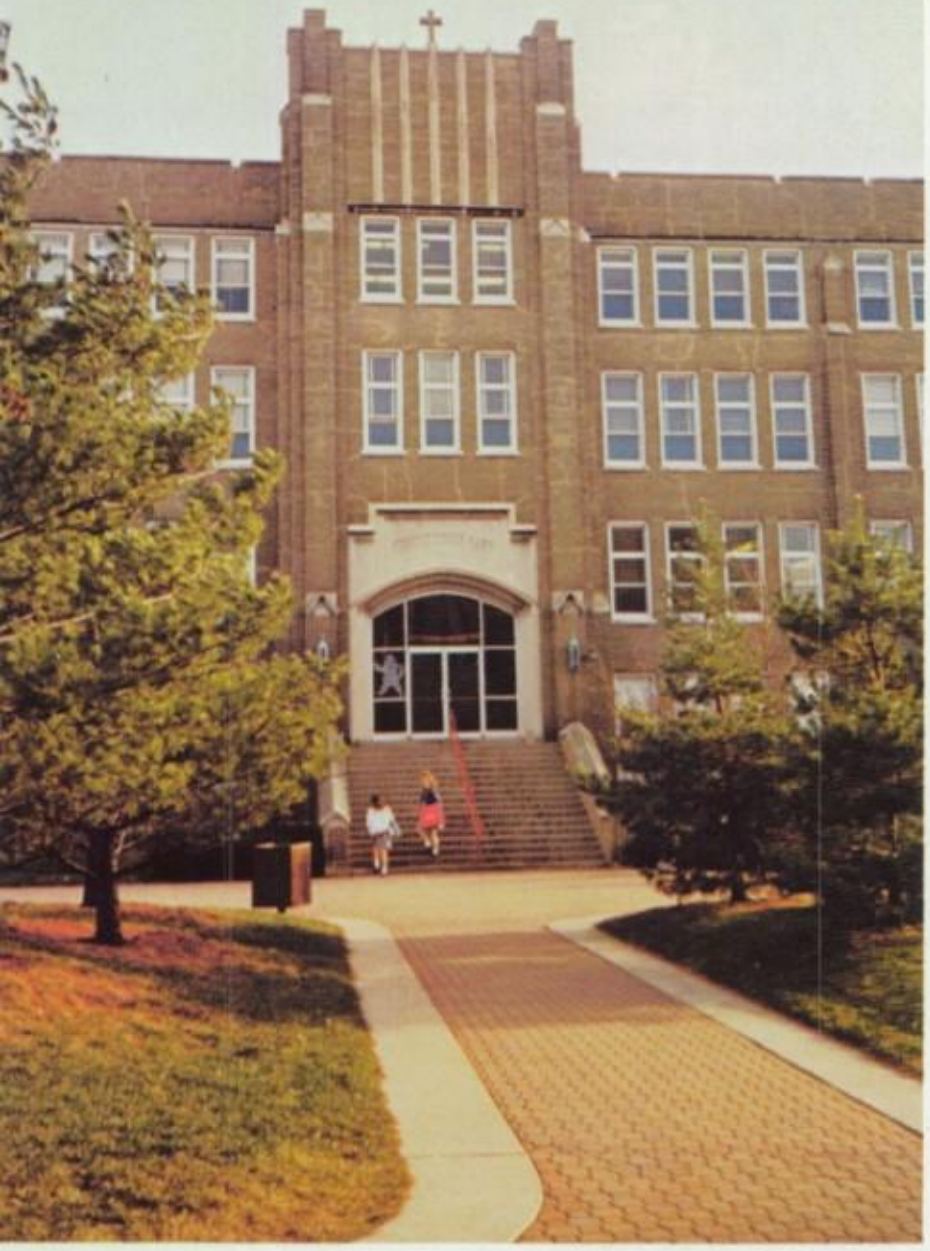
Spalding Institute MDCCCXCVIII

Spalding Institute was founded by the Most Reverend John Lancaster Spalding in 1898. The life and achievements of the founder will always be an inspiration to the students. Because of his devotion to education, Archbishop Spalding established a place for spiritual, as well as mental development. Originally a student could choose between two general courses of study, the Commercial Scientific and College Preparatory.

The original building, of French Renaissance style, became too small as the enrollment increased. A classroom annex, the Schlarman Annex, was built to accommodate this increase. Also, in the 1950's, a gymnasium was built to be used by the high school, parishes, and the diocese.

Spalding's most famous graduate was Fulton Sheen. He graduated in 1913. At that time, the school was conducted by the Brothers of Mary.

The Spalding Institute building, constructed in 1898, shines forth as a sign of educational excellence.



Academy of Our Lady
MDCCCLXIII

Academy of Our Lady of the Sacred Heart began as a concept in the mind of Reverend H. Coyle, pastor of Saint Mary's parish. Father Coyle saw the need for an academy for the higher education of young ladies in Peoria. In 1862, Father Coyle wrote to the city of Saint Louis requesting six sisters for the founding of the school. Mother Saint John, head of the Sisters of Saint Joseph of Carondelet refused the request. Father Coyle's dream would have ended there if it were not for the persistence of his assistant, Father Abram J. Ryan, who wrote a second letter to Mother Saint John approximately a year later. Father Ryan informed the mother superior that he would be down to retrieve six sisters. He left on April 17, 1863 and returned out of the rugged wilderness a few weeks later with six sisters and one mother superior.

The "seven brides of heaven," as Father Ryan named them in his poem, began by teaching six pupils in a boarding school at a small two-room wooden-frame building. The sisters moved several times before the Academy found its present location in 1929.

The Edmund Dunne Hall, constructed in 1929, stands proud and strong as a symbol of the Academy's 125 years of tradition.

Even though we love summer, most of us are glad when school starts. We all would agree that "Back-To-School" means new school supplies, uniforms, and locker decorations. For some of us, it means physical exams and sports. Everyone looks forward to seeing old friends and meeting new ones.

This year fall was a busy time. Many familiar events, such as the opening mass, Ring Day, and the Spalding Cross Country Invitational took place. The dedication of the mall to Bishop O'Rourke and the ordination of Bishop John Myers left unique memories in the minds of all involved. All in all, the beginning of school was an exciting time.

Saturday Morning Cartoons

Homecoming '87 began on Sunday, September 20th with Hall Decs. Each class decorated its assigned Academy corridor according to the central theme, Saturday Morning Cartoons. The seniors won first place; juniors, second; sophomores, third; and freshmen, fourth.

On the first day of dress-up days, Monday, many students impersonated superheroes. Tuesday was Pee-Wee-Herman day and Wednesday was Disney day. Thursday many students dressed as their favorite Saturday morning cartoon character. Friday was Spirit Day, students showed their support for Academy/Spalding by wearing purple, gold, and white.

School spirit, good humor, and hard work were evident in the skits. The seniors won first place for "Scooby and the Gang." The juniors came in second with "Pee-Wee-Herman." And the sophomores brought up the rear with "Muppet Babies."

The Laugh Olympics, a new event this year, had students taking part in events such as the Fred Flintstone Obstacle Course, Tug-Of-War, and the Human Roll. The Laugh Olympics was an exciting finale to a memorable week.

Streamers Banners Excitement

Streamers, banners and excitement fill the Academy alley and parking lot each year before the Homecoming game. Students of all ages join in the festivities of the Homecoming week as they decorate the cars and trucks which will take part in the parade. The parade is an exciting procession of noise and color to the Peoria Stadium. All participants arrive mentally prepared for a great football game.

This year, Spalding's football team played the Homecoming game against the Manual Rams. The stadium was filled with Spalding students and alumni, and their friends and family. Halftime included an excellent routine by Spalding's pom-pon squad followed by the announcement of the Homecoming court. The football players returned to the field after halftime and went on to win the game 21-8.

The Moonbeams

The 1987 Homecoming dance was held at the Bradley Student Center. It was decorated with every child's favorite Saturday morning cartoon characters including the Flintstones cast and the Superfriends.

"The Moonbeams" provided entertainment for the evening, and most students will agree that they were talented. A highlight was when the band allowed some of the more adventurous students a shot at the limelight by letting them sing a few favorites.

An atmosphere of good times, friendship, and intimacy between couples prevailed. The positive atmosphere joined the unsuppressable Spalding spirit to make the Homecoming dance a successful and enjoyable climax of the week.

The Mall In Fall

The Mall not only provides safety for students but is also a beautiful addition to downtown. The Mall was the setting for two important events this fall.

The consecration of Reverend John J. Meyers as Coadjutor Bishop took place at St. Mary's Cathedral. The reception for Bishop Meyers, other bishops, and guests from all over the country was held on the Mall.

On October 30, 1987, the Mall was dedicated to Bishop O'Rourke. The ceremony took place on the Mall with diocesan and civic leaders and students present to watch the Bishop unveil the marker that designates the Mall as O'Rourke Mall.

The play was set in New Jersey and takes place in a nineteenth century house which has been converted into the Golden Carousel restaurant.

The restaurant is owned by Cal **(Paul-David Glore)** and Ellen **(Karry Sue Meizelis.)** The restaurant is the scene of laughter and romance for all of the characters.

Mrs. Kathy Svoboda was the producer/director of the play and the assistant was **Mike Donovan.** The two helped to present this fall's very entertaining production.

Our Christian Faith Grows

A major difference between Spalding and most area schools is the focus on our Christian faith. One of the most beautiful ways we can proclaim this faith is by celebrating the Eucharist with the entire school community. Unlike Sunday masses we attend, we are permitted to take full part in the liturgy. Students prepare the mass, lector, present gifts, are altar boys, or sing. In this way we can show others the importance of our faith. These Eucharistic celebrations draw us closer to each other and to God.

A New Tradition

The Spalding cafeteria was decked out in the holiday spirit on the twentieth of December. The reason? The school's first annual Snowball dance. The student council initiated this in order to provide a semi-formal dance celebrating the Christmas season. A DJ hosted the event, and everyone had a great time.

Retreat "88"

If you had been present in the Spalding gym during the early morning hours of Wednesday, February 10th, you would have heard some very loud U-2 music echoing off the walls; and you would have seen a plump, middle-aged man with a ragged beard, dressed in a blue shirt and faded jeans pacing the gym floor.

The man was Father Terry, also known as the "Trickster," and he was getting 'psyched up' for the freshman retreat. Father Terry repeated the process before the sophomore, junior and senior retreats on February 11, 24 and 25.

Three years of leading retreats at Academy/Spalding have profited both the student body and faculty. Retreats with Father Terry have always been provocative and emotional, and this year was no exception. The Trickster laughed and cried with us as old friendships were mended and new ones were created.

In math texts, each chapter builds on the one before it. If there's a missing link in your chain of knowledge, work your way back and

— Learn the rules and theorems. There are no exceptions to this rule in math. If you don't know the rules you can't play the game.

— Be logical. Math always is. So no skipping steps or jumping to conclusions.

— Practice. The more problems you work, the more you'll see the logic behind them.

— Practice. It's the only way to prepare for a test. You can never go over an equation too many times.

Winning — The Look of the Irish.

After playing hard in the first two quarters, the Irish soccer team takes a well-deserved break.

The Spalding Gymnasium is the home of many of Spalding's varsity games.

The Irish defense "huddles up" to prepare and stop the next offensive play.

The largest crowd of the varsity basketball season 'packs the house' at the Spalding game against Bergan.

Senior, **Craig Tanner,** shoots for two points against the Woodruff warriors.

Sophomore, **Joe Burkitt,** works out at Jim's Gym. Many football players work out here during the off-season to stay in shape.

Coaches Jim Donahue and Mark Propst show the game faces they used to get the Irish team motivated in pressure situation.

Joe Hartwig, 1st Team All-Conference receiver, shows good form on this catch.

The central game ended with a victory and was the cause for celebration on the field.

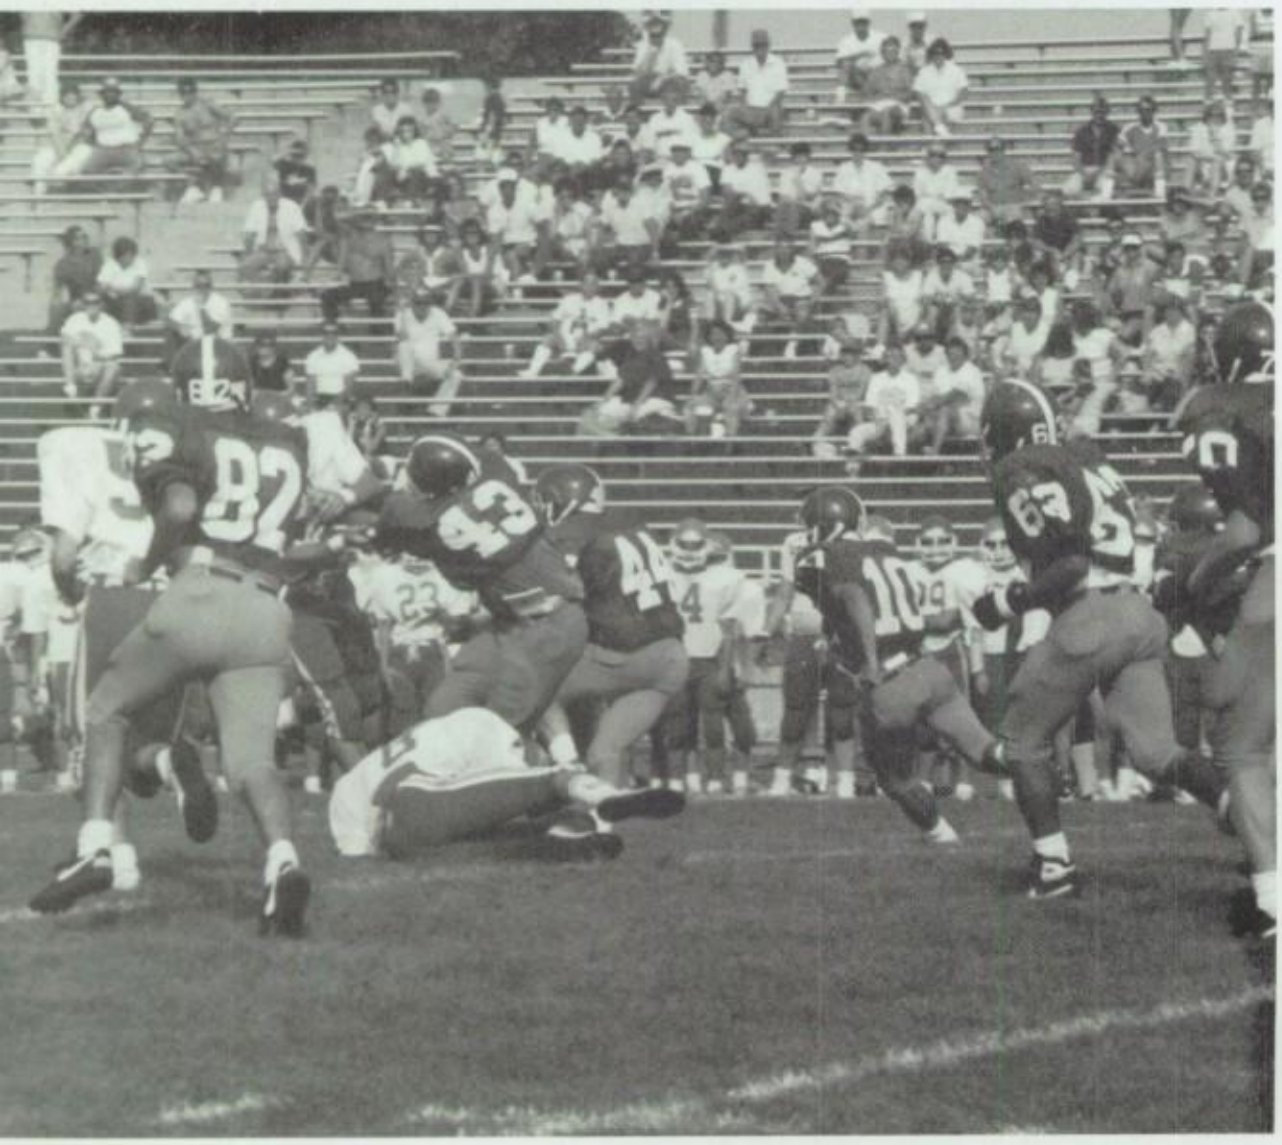
Tradition Returns

Top: As senior quarterback **Pat Armstrong** rolls out, **Chuck Anthony** (senior) provides the blocking protection that is needed. *Bottom:* The teams best defense was when they worked as a unit. **Tom Grow, Mike Lee, Brian Martin, Chuck Anthony, Eric Osmulski, Mike Day,** and **Patrick Donnelly** show the gang tackling method.



Top: Like the defense, the offense *(L to R.)* **Anthony Broadhurst, Troy Skaggs, Joe Hartwig, Pat Armstrong, Chuck Anthony & Ed Hopkins** worked better as one. With everyone playing hard, this is what you get. *Bottom:* Senior defensive lineman, **Andy Welsh,** was a leader of the team by example.

The 1987 football season marked the beginning of a new era in Spalding football. It began with two new coaches, Jim Donahue and Mark Propst, who both played during a time when tradition was very important. Now they have come to re-establish Spalding's tradition, one of honor and one of winning.

This years' team went 5-4 (Conf. 4-3) with victories against Central, Bergan, Springfield Southeast, Manual and Springfield High. Spalding set a new school scoring record while playing Springfield High, 54-12.

The team had 9 players receive honors at the all-conference banquet. Senior **Joe Hartwig** received all-conference. Seniors **Jeff Frazier, Troy Skaggs** and **Andy Welsh** along with juniors **Patrick Donnelly** and **Tom Grow** received 2nd team All Conference. Special Mention honors were given to seniors **Craig Tanner, Pat Armstrong** and sophomore **Mike Lee** School honors went to senior **Andy Welsh** who received the Merv Haycock Award, **Troy Skaggs** who was voted MVP, **Pat Armstrong** and **Joe Maushard** as co-holders of the Most-Improved, and **Patrick Donnelly** for received of the Hit Man Award. The manager, **Steve Fry,** was also honored with the Doc Schadt Award.

According to Coach Donahue, their biggest disappointment was losing to Pekin by 1 point. With that win, the Irish could have made the state playoffs. He feels they improved weekly but still need to understand that it takes 12 months of hard work to remedy 'mediocrity'.

Their bright spot was ending the season with wins over Bergan and playoff bound Central. The jubilation in the locker room after the Central game made Donahue feel they had just won Superbowl XXII.

Get Tough

The 1987 Freshman Football season started slowly with a 44-14 loss to Limestone. However, following that defeat the players worked diligently and proceeded to win their next seven games. They played their best game of the season against Richwoods. Their only other defeat occurred on the last week of the season 22-14 to Central.

Throughout the season the players developed a great deal and with continued hard work and dedication, should provide a bright future for the Spalding Irish football program.

The Freshman record was 7-2 overall and 6-1 in the conference.

Let's Go

Coach Kelly sends **Chris King** in with a play while Coach Doyle looks on.

A good attitude and hard work helped the sophomore team to a 5-3 overall record, and a 4-2 conference record this season. The Irish started the season with a disappointing one point loss to Limestone. However, the team battled back and ended the season with a winning record. Highlights came in the last two games which were victories against the Bergan Trojans and the Central Lions. If this year's sophomores maintain their enthusiasm and spirit, their prospects for the coming years are great.

Zeroing in on the goal, senior scoring threat **Mike Hobin** prepares to add to his impressive statistics.

Doug Cady, a junior midfielder, receives a pass and begins to dribble upfield.

Keeping his eye on the ball, junior **Phil Baer** passes upfield.

The 1987 Varsity Soccer season started off on the right foot. In the preseason predictions, the Irish were picked to finish behind Richwoods and Central in the conference. The opening week, Spalding defeated both by scores of 3-0 and 2-0.

Previously defeating Limestone 5-0 and 2-1, the Irish were beaten 1-0 in the first round of regionals by the Rockets. This was a disappointing loss while also ending their season. However, they did have high points in the season. The Irish defeated Normal U-High 3-0 who was predicted to be a state finalist.

Spalding was led by Most Valuable Player **Matt Pendergrass,** Best Offensive Player **Mike Hobin,** and Best Defensive Player **Tim Willi.** The Irish finished the season with a conference record of 6-3 and an overall record of 14-5-1.

Senior **Tim Willi,** shows tenacious defense as he battles to deny the Manual offense the ball.

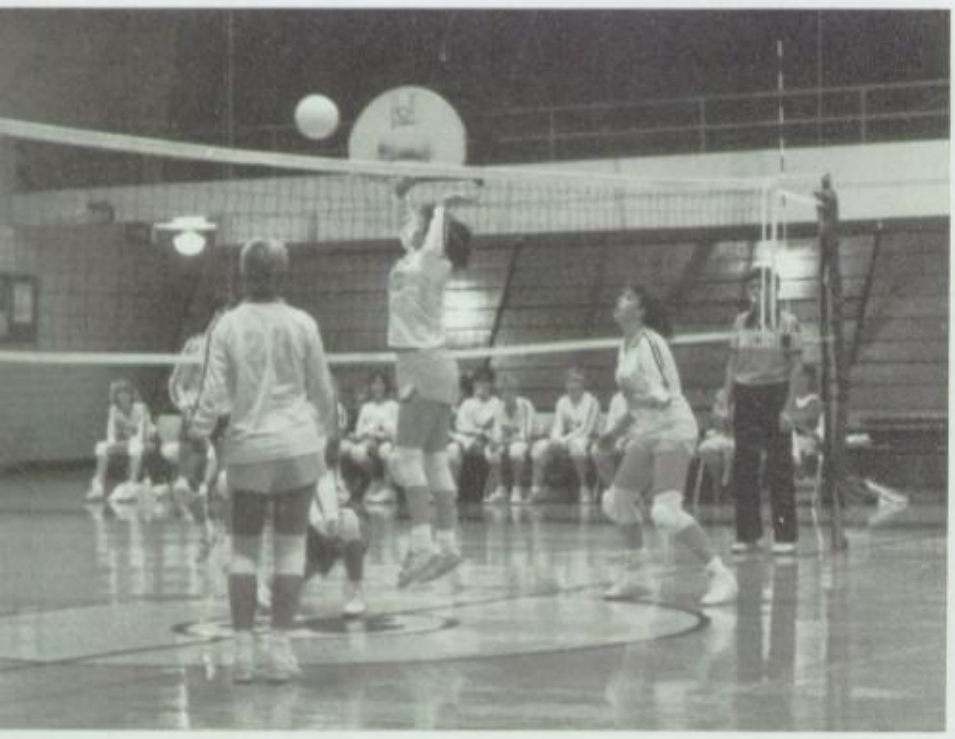
Leading the Irish Volleyball Team were junior **Jenny Beckman** and senior **Monica Cundiff** who were both selected to the first team All Conference. Freshman **Laura Trantina** received the award for Most Improved Player and Junior **Jenny Beckman** received the award for Most Dedicated.

Even though the Irish only had nine players, two being seniors and 3 freshmen, they played with dedication as well as determination. They finished 3rd in the conference with a record of 10-4.



Sophomore **Suzanne Hennessy** goes up strong at the net against Pekin.

Freestyling

Taking a break from the usual warmup at the YMCA, the swimmers play a game of "Sharks and Minnows." On Initiation Day, the girls perform in their uniforms.

The many road trips, the sack lunches, and the blue van driven by Coach Tom Pilat added to the excitement of the season. Even though they were 3-8 and 7th in conference, the Irish swimmers improved over the ten weeks and had some good races. Senior **Kris Penn,** awarded Most Valuable swimmer, won 5th in diving at sectionals. Kris, along with the teams other senior, **Jennie Efinger,** captained the team. **Beth Shanks** was awarded Most Improved.

The tennis team's 3-8 record didn't stop the girls from having fun. The energy food Coach Floyd Rutherford brought to practice kept the girls full of strength and spirit. With a majority of wins, seniors **Cindy Schmitt** and **Maria LaHood** were voted the teams Most Valuable players. Through confidence in her stroke, sophomore **Cathy Thomas** was awarded Most Improved.

The Boys Cross Country team had its moments of excitement along with those of disappointment, finishing with a record of 1-5 in dual meets. The only win and highlight of the season came against Bergan. Most valuable runner for the Irish was senior **Tom Thomas** and most dedicated runner was senior **Tim Waters,** while most improved was freshman **Jim Dickerson.** The Irish are sure to post a better record next year with 6 of their top 7 runners returning.

The Girls posted a respectable 3-3 record in dual meets with wins over Pekin, Woodruff and Manual. The team finished 6th in Conference led by most valuable runner senior **Ingrid Dowell's** 6th place finish. Ingrid also placed 25th at regionals and went on to run at the sectional meet. Most improved runner was freshman **Emily Schlicksup** and most dedicated was sophomore **Erin Smith.** The girls team hopes for continued success next year. Both groups are coached by Scott Schifeling.

Newman Golf Course — Spalding's home course.

The Irish golf team completed a very successful season this year with a record of 11 wins against 4 losses. Highlights of the season include a third place finish out of 26 teams in the Sterling Invitational and a fourth place finish out of 25 teams in the St. Bede's Invitational.

The Irish finished fourth out of 15 teams in the regional as two golfers, **Chuck Smith** and **Jerry Maushard** qualified for the sectional. The team finished sixth in the MS-10 conference meet.

Chuck Smith won the awards for Most Birdies and Low Average while **Jerry Maushard** was the Most Improved Golfer. The team is coached by Miss Schallau.

Despite, a disappointing 3-22 season, the 1987-88 boys Varsity basketball team never gave up. The Irish played with enthusiasm and spirit against sometimes insurmountable odds presented by some of the state's top-ranked teams.

In contrast, the sophomore team had a very strong season, posting a 17-3 record. The sophomores defeated every team in the conference except the local and state powerhouse, Manual.

The freshman basketball team finished the season 5-11. The young team played through a very tough conference schedule. However, they worked hard and never gave up. The season highlight was a third place trophy in the Washington Tournament.

The Most Valuable Player was given to sophomore **Joe McEnroe.** A big disappointment was having the conference meet on Graduation Day. The last baseball team to represent Spalding under Coach Schifeling had the enjoyment of beating Bergan in an exciting come-from-behind victory. **Anthony Broadhurst** was selected to the 1st team All-Conference at first base. **Eric Osmulski,** shortstop, and **Matt Johnston,** catcher, were selected to the 2nd team and **Jim Kouri,** 2nd base, to the 3rd team.

The sophomore team, under Dick Kelly, was a very hard working enjoyable group of athletes. Their season was highlighted by beating Bergan twice, 12-7 and 14-3.

The freshmen team under Gordon Hitzeroth had an excellent season credited to contributions from every member. These players have the potential to be as good as champions from the past. The team had particularly strong pitching and hitting.

The 1988 Softball Team had a very good season with a conference record of 15-3, finishing 3rd. The Irish beat both of the Mid-Illini Powers, Washington and Limestone. The Irish suffered a heart breaking loss to Central, 2-1, to end the regular season. Spalding placed 7 players on the All-Conference team. **Jenny Kelly,** pitcher; **Ellen Eason,** catcher; **Jenny Beckman,** 2nd base; **Monica Cundiff,** shortstop; **Cindy Schmitt,** 3rd base; **Michele Maroon,** outfield; and **Amy Strong,** Utility; were selected.

Goal Defense

The first Spalding Girls Soccer Team had a great season, after a late decision to have a team. The team ended the season 5-3 after scheduling problems due to the late start. The Irish J-V's 1-0 loss and Varsity's 2-0 loss to Bergan were very disappointing. However, the Irish were 4th in their division and 8th in the state. **Erin Smith, Sage Boos, Cara Williams** were voted MVP. **Carol Ann Bolton** and **Sharon Willi** were the captains.

The Spalding gymnasium, dedicated by Bishop Cousins, will continue to be available for diocesan activities in the future.

The Peoria Public Library, on the corner of Main and Monroe, has served the Academy/Spalding students well for many years.

We take a look at downtown Peoria from Saint Francis Medical Center.

The Twin Towers draw many people to the downtown. They are used for high school proms, gatherings before and after basketball games and other activities at the Civic Center and offer several specialty stores for the discriminate shopper.

One of Peoria's most famous works of art, the Sonar Tide, is flanked by the City Hall on the left and the Peoria Civic Center on the right.

A.L. Williams
America the way it used to be.
Free enterprise is what made this country great. It's what America is all about . . . mom and pop's grocery store, corner drugstores, filling stations, the dime store and the local feed and seed.
Somewhere down the line, Corporate America changed all that. Average people just don't have the opportunity to own their own business like they did in the old days.
Well, A.L. Williams is the modern day alternative to Corporate America. Our motto is "freedom with responsibility." We'll allow you to build your own business within A.L. Williams, the most unique organization in the world. If you'd like more information about how A.L. Williams can change your whole life, give us a call.

TAKING ONE LAST *Look*

As the 1987-88 academic year concludes, so does an era of Catholic education. On March fifth Bishop O'Rourke and Coadjutor Bishop Myers announced that Academy of Our Lady/Spalding Institute and Bergan High School will merge to form a new Peoria Catholic high school. Students have encountered joy and sadness, hard times and good times, beginnings and endings. Now after 125 years, AOL/SI spirit and tradition will cease.

The view of downtown Peoria can be seen as students go to their first period classes.

As students go to their sixth period classes, the spires of Saint Mary's Cathedral, where students have often attended mass, can be seen in the distance.

The Academy/Spalding buses, used to transport many teams to various athletic events, sit in the bus lot located behind the Spalding building.

Students enjoy the fresh air as they go from classes in the Schlarman Annex to second period classes in the Academy building.

The three statues on the mall: The Blessed Virgin Mary — a gift from the Class of 1954; The Alma Mater — gift of the Class of 1961; and St. Joseph the Carpenter — gift of the John O. Bushman family.

The "pit" on O'Rourke Mall provided a safe place for students to socialize and enjoy the fresh air during center period.

The Spalding Gymnasium, dedicated by Bishop Cousins, is the location of many social events throughout the year.

At about 2:45 the last few students head for home after a long days work.

An Irish Blessing

May the road rise to greet you,
May the wind be always at your back,
May the sun shine warm upon your face, the rain fall soft upon your fields and, until we meet again may God hold you in the palm of His Hand.

The 1988 SUMMA required an extreme amount of hard work and dedication. I appreciated the support which the staff and I received from the administration, faculty, students, and especially our advisor, Mrs. Osborne. Over the years the SUMMA has changed and improved in many ways, but as the old cliché states, "All good things must come to an end." "Take A Look At Us Now" is the final edition of the SUMMA. In the true AOL/SI spirit, may we build on our memories and move forward always remembering that we are the Irish.

Sincerely,

Michael J. Glastetter

Charles Dickens said it best when he wrote: "It was the best of times, it was the worst of times." This year was certainly a year of celebration as we observed our 125th anniversary with all the grandeur befitting our proud institution. However, we were all shocked to learn of the decision of our pastors and bishops to consolidate our school at the Bergan location. The name of the new school, Notre Dame (Our Lady) and the team name, Fighting Irish, will be a strong link to our past. Now it is time to look to the challenge of our future. Wherever that future leads, we know that the spirit of Academy/Spalding will forever live in our hearts because the truth remains GOD MADE THE IRISH #1.

Sincerely,

Sister Marcia Ann Daume, CSJ
Principal AOL/SI
